

## Next Generation

### 2020 Grant Awardees

Recipient Organization	Program Description	Grant Amount
<b>Asian Health Coalition</b> <i>(Chicago, IL)</i>	<b><i>CARDIO: Cardiovascular Awareness Recognizing Diet and Integration of exercise Options</i></b> Aims to target preventable risk factors and reduce disparities in cardiovascular disease and diabetes comorbidities among Chicago's Asian communities utilizing innovative, community-clinic partnerships through culturally tailored screening, education, treatment and lifestyle support.	\$30,000
<b>Camino Community Center</b> <b>[Camino Community Development Corporation Inc.]</b> <i>(Charlotte, NC)</i>	<b><i>Camino Vida</i></b> Aims to reduce the risk of cardiovascular disease in individuals living with chronic disease, including Hypertension, Type II Diabetes and Metabolic Syndrome, through individualized, culturally sensitive healthy eating and physical activity plans offered by health professionals in a trusted community setting.	\$150,000
<b>Catherine's Health Center</b> <i>(Grand Rapids, MI)</i>	<b><i>Healthy Heart Team/Whole Heart</i></b> Aims to combine outreach, education and screening with team-based, patient-centered care and on-site counseling, treatment and support for underlying mental health issues to help low-income, underserved individuals participate in health promotion/disease prevention activities to overcome complex obstacles and achieve better cardiovascular and overall health. <i>Peer-to-Peer Mentor for newly funded organizations.</i>	\$64,998
<b>Charitable Pharmacy of Central Ohio</b> <i>(Columbus, OH)</i>	<b><i>Farmacy in the City: Cardiovascular Care at a co-located Charitable Pharmacy and Fresh Market</i></b> Aims to reduce cardiovascular morbidity and mortality risk by helping reduce body weight and blood pressure and/or optimize medication in underserved patients with existing cardiovascular disease, obesity or hypertension. The program pairs healthy food (fresh produce) with pharmacy care and follow up through a partnership with the Charitable Pharmacy of Central Ohio and a Fresh Food Market.	\$149,444
<b>Good News Clinics Inc.</b> <i>(Gainesville, GA)</i>	<b><i>Healthy Hearts 4 Life</i></b> Aims to screen and identify patients with cardiovascular disease as well as patients with risk factors and health behaviors that have a negative impact on cardiovascular health and provide medical treatments and behavioral counseling to help patients achieve improved knowledge, clinical health outcomes and lifestyle changes.	\$150,000
<b>HealthVisions Midwest Inc.</b> <i>(Hammond, IN)</i>	<b><i>HEART: Healthy Eating, Active Living, Reduce Stress, Test your Numbers</i></b> Aims to reduce the risk of heart disease of low-income minorities through a comprehensive wellness program of healthy eating, physical activity, disease self-management skills, medical services and personalized care planning. The program will address barriers in order to increase physical activity and consumption of healthy foods, as well as improve self-management skills, health literacy and clinical outcomes.	\$149,573

<b>Oklahoma City Indian Clinic (Oklahoma City, OK)</b>	<b><i>Healthy Hearts on the Go: Linking Cardiovascular Disease to Diabetes Management for American Indians</i></b> Aims to increase community engagement through innovative, youth-led cardiovascular disease awareness strategies and improve the quality of cardiovascular disease care delivery via community-based and telehealth interventions to increase awareness of cardiovascular disease risk factors; improve lifestyle behaviors such as nutrition and physical activity; increase access to cardiovascular disease interventions through novel approaches; and improve clinical cardiovascular disease measures in the central Oklahoma American Indian community.	\$150,000
<b>The Wellness Coalition (Montgomery, AL)</b>	<b><i>HeartLink – Improving Cardiovascular Health in the Alabama River Region</i></b> Aims to improve the cardiovascular health and health behaviors of uninsured and under-insured adults in Alabama’s River Region, as well as their knowledge of self-management techniques, through access to primary care, health insurance, free/low-cost medications and community resources and self-management of cardiovascular disease, delivered by trained wellness navigators providing wellness case management and chronic disease self-management education.	\$149,288
<b>West Virginia Health Right Inc. (Charleston, WV)</b>	<b><i>SCALE (Sustainable Change And Lifestyle Enhancement)</i></b> Aims to achieve sustained weight loss for obese patients through personal coaching, group/peer support, nutritional education, improved diet and regular exercise to improve at-risk patients cardiovascular risk factors. <i>Peer-to-Peer Mentor for newly funded organizations.</i>	\$35,000
<b>2020 Grant Award Total</b>		<b>\$1,028,303</b>
