CHANGE
Creating Health Access for Next Generation Equity™

2026 CHANGE Grant Awardees

Recipient Organization	Approach Description	Grant Amount
AIDS Resource Alliance, Inc. ***(Williamsport, PA)***	***AR Health: Achieving Health Equity for Medically Underserved Populations*** aims to reduce health disparities and improve health outcomes by providing high-quality primary care services in a welcoming environment to individuals living with HIV and members of the LGBTQ+ community residing in the rural region of northcentral Pennsylvania, with the ultimate goal of building a healthier and more equitable community. *Peer mentor for newly funded organizations*	$50,000
Ambulatory Surgery Access Coalition dba Operation Access ***(San Francisco, CA)***	***Northern and Central California Specialty Access Program*** aims to advance health equity on a community and individual level by connecting uninsured, low-income people facing barriers to care with free surgical and specialty services donated by local providers and addressing the social determinants that too often result in specialty care and cancer disparities.	$220,000
Boston Community Pediatrics ***(Boston, MA)***	***Expanding Patient-Centered, Integrated Pediatric Care in Boston and Beyond*** aims to bring income and racial equity to pediatrics by providing all families–regardless of their ability to pay–with comprehensive, high-quality healthcare that fully integrates medical, mental health and care navigation support to help families address the social determinants of health, such as housing and food insecurity, that perpetuate health inequality.	$220,000
Conejo Free Clinic ***(Thousand Oaks, CA)***	***Ventura County Women's Health Access and Navigation Initiative*** aims to improve early detection and reduce disparities in breast and cervical cancer outcomes in Ventura County by increasing access to culturally responsive screening, navigation and follow-up care for underserved women, including Hispanic and Indigenous communities.	$218,100
Franciscan Workers of Junipero Serra dba Dorothy's Place ***(Salinas, CA)***	***Health Equity as a Bridge to Housing*** aims to eliminate profound health disparities facing Salinas' unsheltered population by integrating intensive healthcare navigation and social stabilization with supportive housing, thereby realizing next generation equity and securing consistent healthcare access for those historically excluded from the medical system.	$216,070
Mobile Medical Care, Inc. ***(Rockville, MD***	***Beyond the Visit: Expanding Access Through Continuous Primary Care*** aims to improve health outcomes for low-income, uninsured and underinsured Montgomery County residents by expanding access to high-quality comprehensive primary and preventive care.	$220,000
	2026 CHANGE Grant Award Total	**$1,144,170**
